

At Trinity Academy Grammar, we aim for all students, from all groups, to experience the curriculum through these strands:

| Intent  | <p>Our personal development curriculum runs alongside our academic curriculum. Our personal development threads are at the heart of who we are and what we do. We aim to give our students the tools they need to flourish as young adults and contribute positively to society. We have a commitment to being a values-driven Academy, with a relentless focus on ambitious aspirations for all.</p> | <p>Our academic curriculum is focused and purposeful, and we aim to equip all students with the knowledge, skills and experiences they need to successfully enter the world of work.</p> | | |
