

Trinity Academy Grammar: Provider Access Statement

Introduction

This policy statement sets out the academy's arrangements for managing the access of providers for the students at the academy, for the purpose of giving them information about the provider's education or training offer. This complies with the academy's legal obligations under 42B and 45A of the Education Act 1997, as amended by The Skills and Post-16 Education Act 2022.

Student entitlement

All students in Years 8-11 are entitled:

- To find out about technical education qualifications and apprenticeship opportunities, as part of a careers programme which provides information on the full range of education and training options available at each transition point.
- To hear from a range of local providers about the opportunities they offer, including technical education and apprenticeships – through options events, assemblies and group discussions and taster events.
- To understand how to make applications for the full range of academic and technical courses.

For pupils of compulsory school age these encounters are mandatory and there will be a minimum of two encounters for year 8 to 9 pupils and two encounters for year 10 to 11 pupils.

Management of provider access requests

These provider encounters will be scheduled during the main school hours and the provider will be given a reasonable amount of time to, as a minimum:

- share information about both the provider and the approved technical education qualification and apprenticeships that the provider offers
- explain what career routes those options could lead to
- provide insights into what it might be like to learn or train with that provider (including the opportunity to meet staff and pupils from the provider)
- answer questions from pupils.

Prior to an encounter we encourage providers to share information about both their provision and the courses they offer so that this can be shared with parents and carers.

Meaningful provider encounters

One encounter is defined as one meeting/session between pupils and one provider. We are committed to providing meaningful encounters to all pupils using the Making it meaningful checklist.

Previous providers

In previous terms/years we have invited the following providers from the local area to speak to our pupils:

- Trinity Sixth Form Academy
- Huddersfield New College
- Kirklees College
- Calderdale College

- Huddersfield University
- Leeds University

Destinations of our pupils

Last year our year 11 pupils moved to range of providers in the local area after school:

- Trinity Sixth Form Academy
- Greenhead College
- Huddersfield New College
- Kirklees College
 - Calderdale College
 - Apprenticeships

Management of provider access requests

The academy offers the six provider encounters **required by law** and a number of additional events, integrated into the school careers programme. We will offer providers an opportunity to come into school to speak to pupils or their parents or carers.

A provider wishing to request access should contact:

Stephanie Goddard-Wood, Assistant Principal (Personal Development)

Telephone: 01422 831011

Email: sgoddard-wood@grammar.trinitymat.org

Opportunities for access

A number of events, integrated into the academy careers programme, will offer providers an opportunity to come into the academy to speak to students and/or their parents/carers.

Please speak with our careers leader to identify the most appropriate opportunity for you.

Premises and Facilities

The academy will make the main hall, classrooms or private meeting rooms available for discussions between the provider and students, as appropriate to the activity. The academy will also give the provider access to specialist equipment, such as computers, for presentations where appropriate. This will be discussed and agreed in advance of the visit with the careers leader or a member of their team.

Providers are welcome to leave a copy of their prospectus or other relevant course literature in the careers advice office.

Complaints

Any complaints with regards to provider access can be raised following the school complaints procedure or directly with The Careers & Enterprise Company.
