Introduction

The Home-Academy Agreement is an important contribution to the life of the Trinity Academy Grammar. It sets out what the academy, parents/carers and the students agree together for the good of the whole academy and each individual within it. It is driven by our Professional Standards of Conduct, Pride, Organisation, Dedication, and Values.

The partnership between the home and academy is one of the most important influences on the education and personal development of our students. This agreement recognises the need for good partnership working between the home and academy and seeks to build on it.

Aims of the academy and home partnership

- To work with our parents and carers to enable students of all abilities to make the most of their intellectual, practical and physical abilities
- To work with our parents and carers to ensure that the students are secure and receive the highest standards of care
- To support our parents and families to help students to develop self-discipline and to learn to behave towards others with care, respect and good manners
- To encourage our parents and carers of students to participate in the life of the academy and to celebrate the achievement of their children and others
- To help our parents and carers of students develop high aspirations and to enable them to progress towards a rewarding and fulfilling future

Policy Statement

In order to ensure that all students have the opportunity to reach their potential, the Directors/Governors require that parents/carers, students and the Principal (or their representative) agree to fulfil the content outlined below. This makes the expectations of each party explicit. By choosing to send their child(ren) to Trinity Academy Grammar, parents are acknowledging they agree to all aspects of the Home-Academy Agreement and that they will support their child(ren) to meet the terms outlined.

The Home-Academy Agreement is intended to be a helpful document and will serve to remind everyone what is needed to ensure that all of our students, their parents and families are successful and happy members of the Trinity Academy learning community.

Procedures and Expectations

- Prior to starting at Trinity Academy all students and parents/carers must ensure that they have read the Home-Academy Agreement.
- In the rare event of serious misdemeanour it may be referred to, together with the academy's Behaviour for Learning Policy, in determining the academy's response.
